And the **third angel** followed them, saying with a loud voice, If any man **worship the beast and his image, and receive his mark in his forehead, or in his hand**, the same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with **fire** and **brimstone** in the presence of the holy angels, and in the presence of the Lamb: **And the smoke of their torment ascendeth up for ever and ever:** and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.

The Boy Who Knows the Time – Part 4

In this fourth part, you will witness how the puzzle pieces of the revelation of time come to a climax to lead many to look up with hope as their redemption draweth nigh. It was prophesied that God would grant dreams and visions in the last days, and Spirit-led, biblically grounded interpretations lead progressively into all truth. In this presentation, you will discern His unmistakable fingerprint: the harmony between His true calendar, His written Word, and the signs in the heavens. It bears the signature of the divine and uplifts the centerpiece of salvation. Hallelujah!

Jesus says:

“3 TIMES A 13th MONTH LEAP YEAR MUST OCCUR UNTIL I WILL COME BACK.”

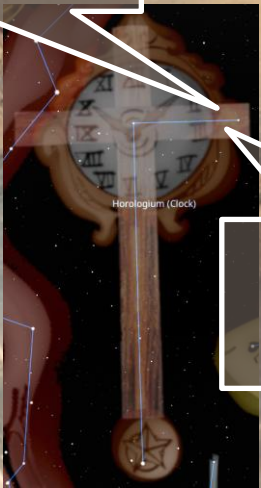

If 3 **hours** meant 3 times or **years**, and 13 **minutes** added the specification that we talk about the leap years with a 13th **month**, then the 43 **seconds** must mean **days**.

43 days is longer than one lunar month which is averaged to 29 days.

1 lunar month (29 days) + 14 days.

Hence, the 43 days point to the **14th day of the second month** because the count must begin after the third Adar II (3:13 + 43 seconds).

The dream emphasized 3 o'clock, the hour marker!

The day of Jesus' Crucifixion as our true Passover Lamb is the main "marker" for the Second Coming, according to the dream.

For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect. Behold, I have told you before. Time of the Final Three Woes Begins.

For as the lightning cometh out of the east, and shineth even unto the west; so shall also the coming of the Son of man be. (Matthew 24:27)

Jesus, when he had cried again with a loud voice, yielded up the ghost. And, behold, the veil of the temple was rent in twain from the top to the bottom; **and the earth did quake**, and the rocks rent; **And the graves were opened; and many bodies of the saints which slept arose**, And came out of the graves after his resurrection, and went into the holy city, and appeared unto many. Official Statement

The countries in which March 15, 2020, can most clearly be regarded as the beginning of a lockdown or comprehensive shutdown were primarily Spain, the Philippines—specifically Metro Manila—France, and, to some extent, **Austria**. In Serbia, Slovakia, and South Africa, March 15 was primarily the day on which a state of emergency or disaster was declared. On that date, Australia, Cyprus, Singapore, **Germany**, and the **United States** acted mainly through border, travel, or quarantine measures. Thus, March 15, 2020, lies precisely at the center of the international wave of responses, four days after the WHO characterized COVID-19 as a pandemic on March 11. Nationwide stay-at-home restrictions in many other countries followed between March 16 and 23, 2020.

With "Operation Warp Speed," President Trump sought during his first term to dramatically accelerate the development, production, and distribution of a safe COVID-19 vaccine, with the aim of making hundreds of millions of doses available by January 2021 and thereby saving millions of lives—through an unprecedented public-private partnership, advance funding of production, and the simultaneous support of multiple vaccine candidates.

https://en.wikipedia.org/wiki/Operation_Warp_Speed

The result was record-breaking development in less than one year rather than the several years usually required, with emergency authorizations for highly effective vaccines such as Pfizer and Moderna (approx. efficacy of 95%), the availability of tens of millions of doses by late 2020 and early 2021, and the foundation for a worldwide vaccination campaign.

And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is **Abaddon**, but in the Greek tongue hath his name **Apollyon**. One woe is past; and, behold, there come two woes more hereafter. (Revelation 9:11-12)

Joshiah Litch interpreted the period of the sixth trumpet (Revelation 9) historically as the rule of the Ottomans, or Turks. Based on the prophetic specifications ("an hour, a day, a month, and a year" = 391 years and 15 days), together with the preceding 150-year period of the fifth trumpet (the Saracens), he calculated that this period would end on **August 11, 1840**—beginning in AD 1449, when Constantine XI ascended the throne with Turkish permission.

<https://www.diggingfortruth.org/digging-deeper/prophecies-in-5th-and-6th-trumpet/revelation-9---the-391-year-prophecy>

The First and Second Woes

Litch saw this as predicting the decline of Ottoman power, which, in his view, was fulfilled precisely **on August 11, 1840, when the Ottoman Empire accepted the protection of the European great powers and thereby lost its independent sovereignty**. This interpretation gave considerable impetus to the Millerite Advent movement.

President Trump is Delivering on his Promise to Protect Religious Liberty

June 26, 2026

"We're bringing back religion in our country, and we're bringing it back quickly and strongly—because for America to be a great nation, we must always be one nation under God." – President Donald J. Trump

President Trump's Religious Liberty Commission Delivers Historic Report

- Last May, President Donald J. Trump [established](#) the Religious Liberty Commission to advise and report to the President on opportunities to "identify emerging threats to religious liberty, uphold Federal laws that protect all citizens' full participation in a pluralistic democracy, and protect the free exercise of religion."
- Today, during an Oval Office presentation, Chairman Dan Patrick, Vice Chairman Ben Carson and the members of the Commission delivered Commission's draft report to the President.
- The draft is based on findings from the seven hearings that the Religious Liberty Commission held over the last year, receiving input from more than 100 witnesses of diverse ages, religions, expertise, and backgrounds. Many experienced religious persecutions in the United States.
- The hearings specifically covered religious liberty in the military, education, healthcare, the public and private sectors, as well as the importance of protecting parental rights and faith-based institutions, and combatting the rise of anti-Semitism and violence against houses of worship.

PRESIDENTIAL ACTIONS

ESTABLISHMENT OF THE RELIGIOUS LIBERTY COMMISSION

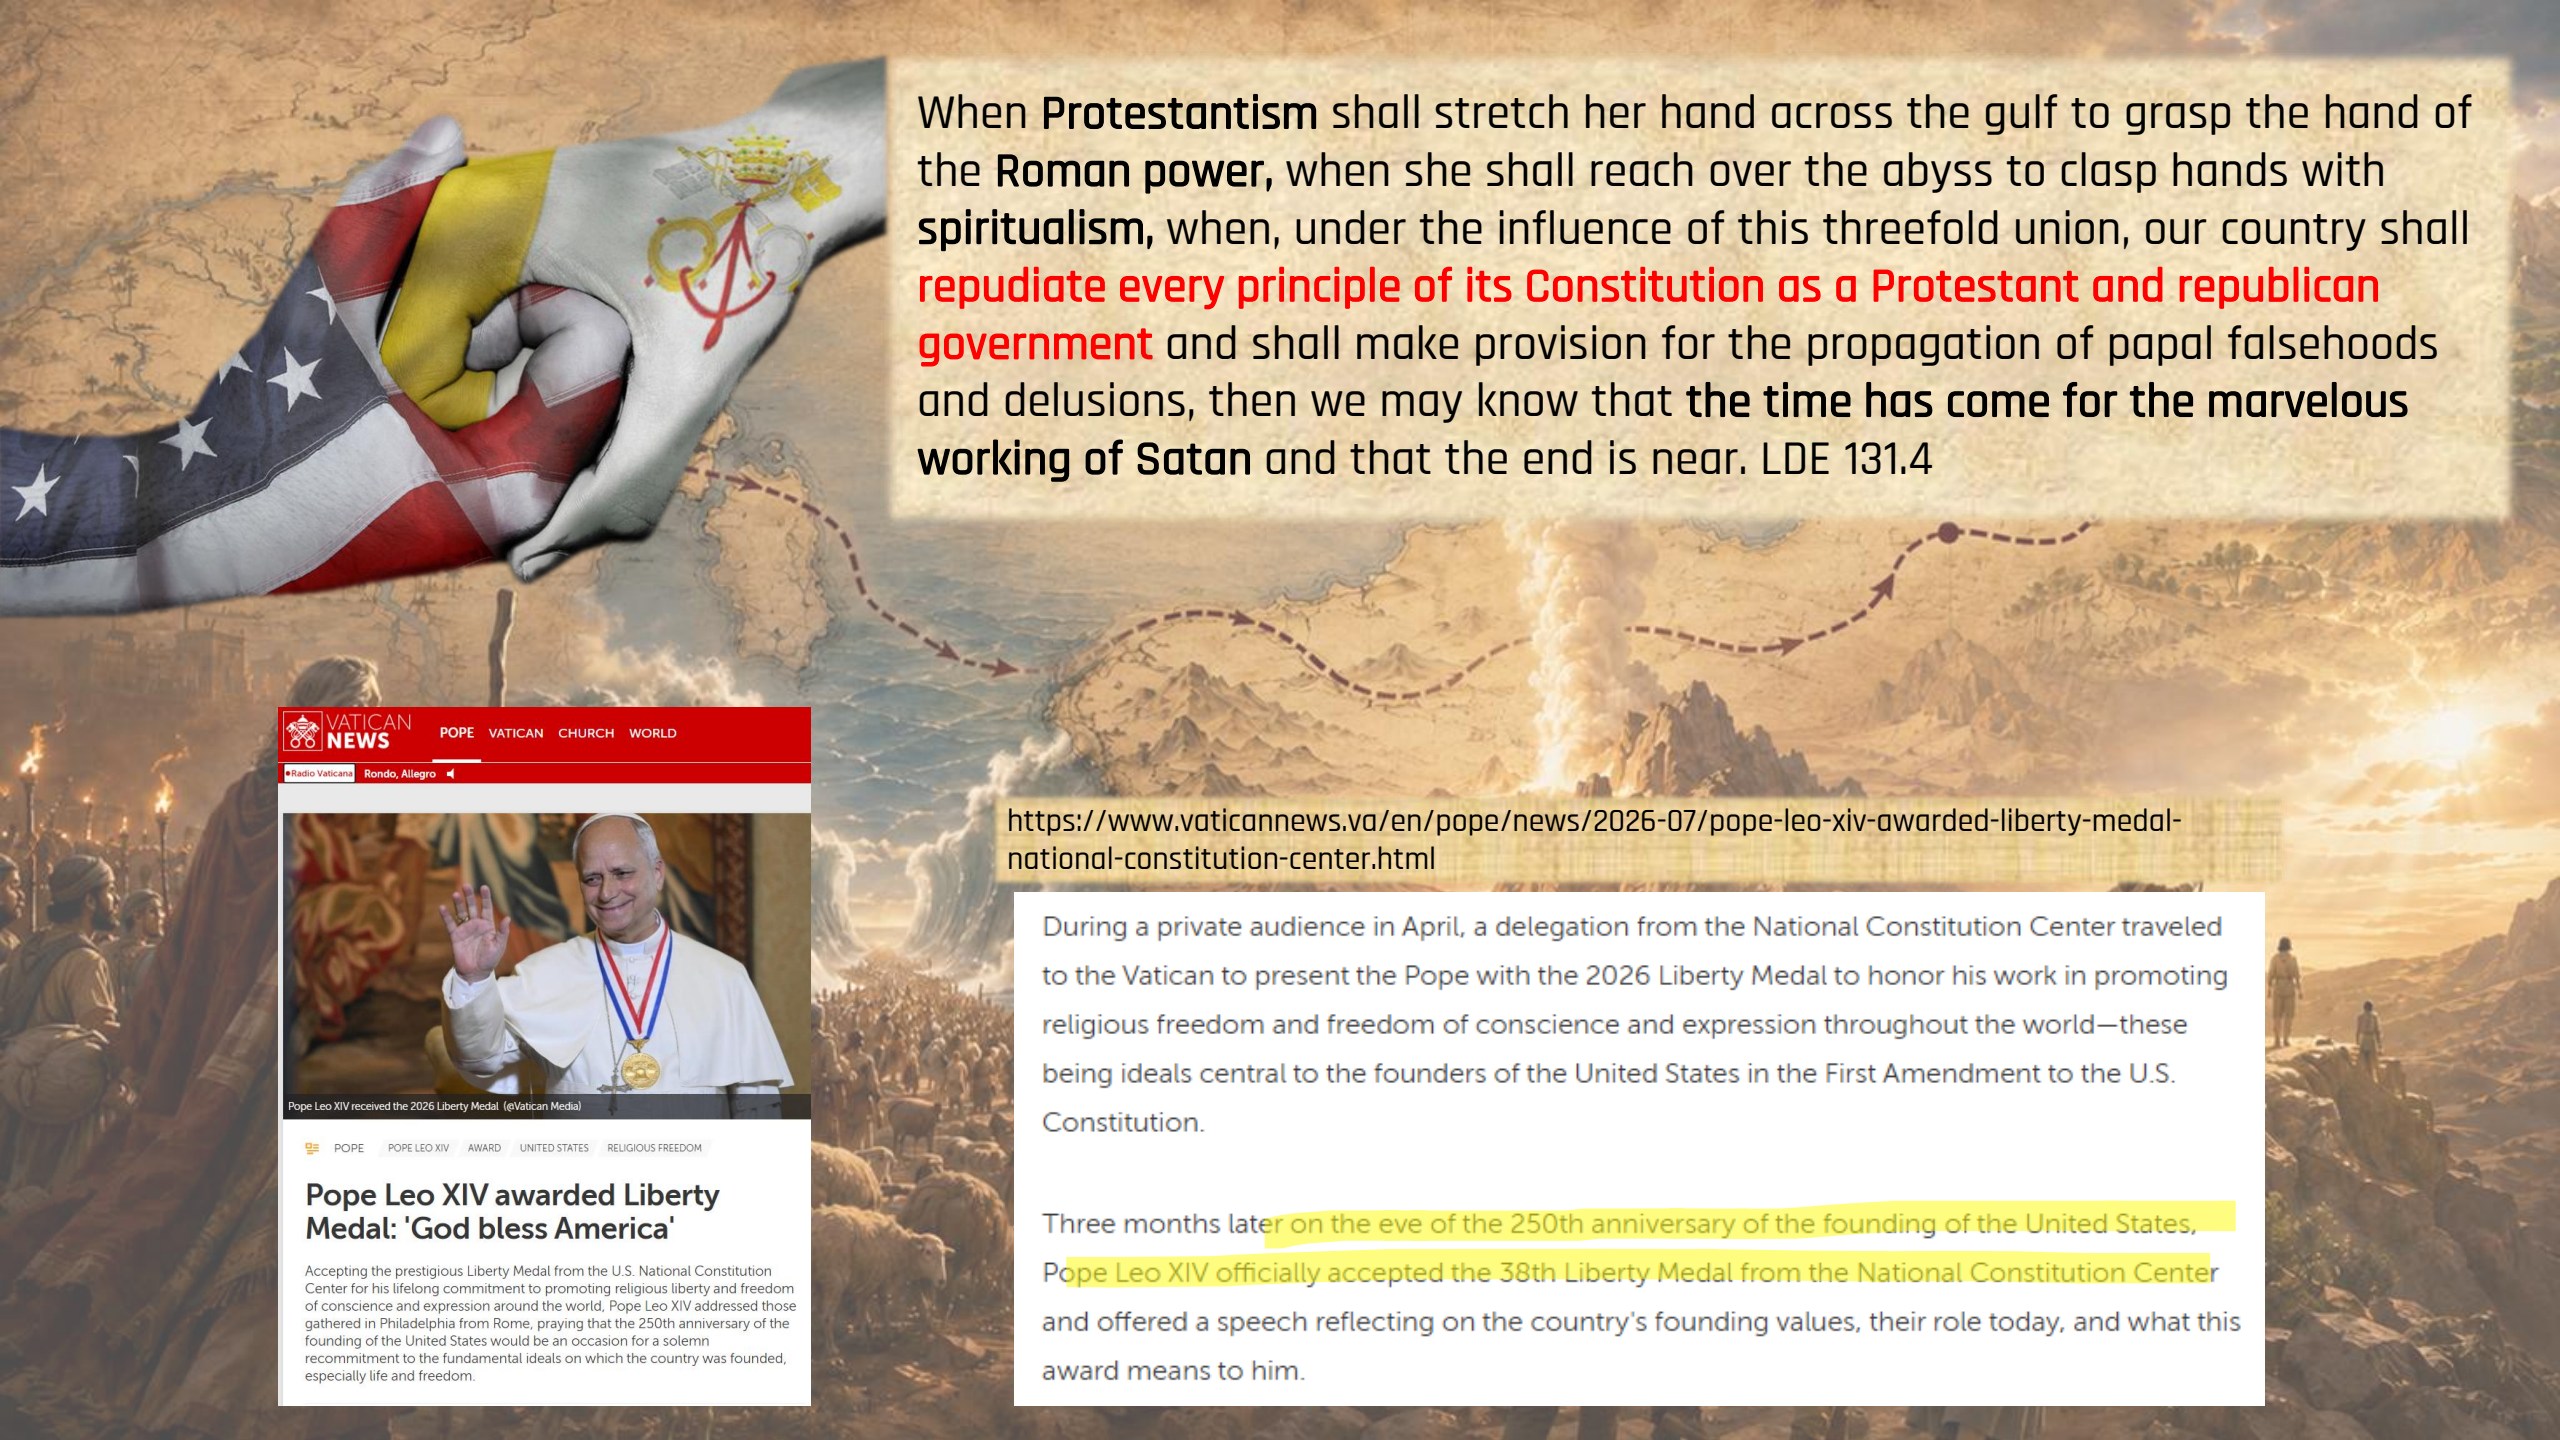

Executive Orders May 1, 2025

<https://www.whitehouse.gov/presidential-actions/2025/05/establishment-of-the-religious-liberty-commission/>

Members appointed to the Commission shall serve one term **ending on July 4, 2026, which marks the 250th anniversary of American Independence.**

The Commission shall produce a comprehensive report on the foundations of religious liberty in America, the impact of religious liberty on American society, current threats to domestic religious liberty, strategies to preserve and enhance religious liberty protections for future generations, and programs to increase awareness of and celebrate America's peaceful religious pluralism.

The Commission shall advise the White House Faith Office and the Domestic Policy Council on religious liberty policies of the United States. Specific activities of the Commission shall include, to the extent permitted by law, recommending steps to secure domestic religious liberty by executive or legislative actions as well as identifying opportunities for the White House Faith Office to partner with the Ambassador at Large for International Religious Freedom to further the cause of religious liberty around the world.

When **Protestantism** shall stretch her hand across the gulf to grasp the hand of the **Roman power**, when she shall reach over the abyss to clasp hands with **spiritualism**, when, under the influence of this threefold union, our country shall **repudiate every principle of its Constitution as a Protestant and republican government** and shall make provision for the propagation of papal falsehoods and delusions, then we may know that **the time has come for the marvelous working of Satan** and that the end is near. POPE POPE LEO XIV AWARD UNITED STATES RELIGIOUS FREEDOM

Pope Leo XIV awarded Liberty Medal: 'God bless America'

Accepting the prestigious Liberty Medal from the U.S. National Constitution Center for his lifelong commitment to promoting religious liberty and freedom of conscience and expression around the world, Pope Leo XIV addressed those gathered in Philadelphia from Rome, praying that the 250th anniversary of the founding of the United States would be an occasion for a solemn recommitment to the fundamental ideals on which the country was founded, especially life and freedom.

<https://www.vaticannews.va/en/pope/news/2026-07/pope-leo-xiv-awarded-liberty-medal-national-constitution-center.html>

During a private audience in April, a delegation from the National Constitution Center traveled to the Vatican to present the Pope with the 2026 Liberty Medal to honor his work in promoting religious freedom and freedom of conscience and expression throughout the world—these being ideals central to the founders of the United States in the First Amendment to the U.S. Constitution.

Three months later on the eve of the 250th anniversary of the founding of the United States, Pope Leo XIV officially accepted the 38th Liberty Medal from the National Constitution Center and offered a speech reflecting on the country's founding values, their role today, and what this award means to him.

Never did this message apply with greater force than it applies today. More and more the world is setting at nought the claims of God. Men have become bold in transgression. The wickedness of the inhabitants of the world has almost filled up the measure of their iniquity. This earth has almost reached the place where God will permit **the destroyer** to work his will upon it. The substitution of the laws of men for the law of God, the exaltation, by merely human authority, of Sunday in place of the Bible Sabbath, is the last act in the drama. When this substitution **becomes universal**, God will **reveal Himself**. He will arise in His majesty to shake terribly the earth. He will come out of His place to punish the inhabitants of the world for their iniquity, and the earth shall disclose her blood and shall no more cover her slain. 7T 141.1

There are many, even of those engaged in this movement for Sunday enforcement, who are blinded to the results which will follow this action. They do not see that they are striking directly against religious liberty. There are many who have never understood the claims of the Bible Sabbath and the false foundation upon which the Sunday institution rests. Any movement in favor of religious legislation is really an act of concession to the papacy, which for so many ages has steadily warred against liberty of conscience. Sunday observance owes its existence as a so-called Christian institution to "the mystery of iniquity;" and its enforcement will be a virtual recognition of the principles which are the very cornerstone of Romanism. **When our nation shall so abjure the principles of its government** as to enact a Sunday law, Protestantism will in this act join hands with popery; it will be nothing else than giving life to the tyranny which has long been eagerly watching its opportunity to spring again into active despotism. {5T 711.4}

I saw that God had children who do not see and keep the Sabbath. They have not rejected the light upon it. And at the commencement of **the time of trouble**, we were filled with the Holy Ghost as we went forth and **proclaimed the Sabbath more fully**. **This enraged the churches and nominal Adventists, as they could not refute the Sabbath truth**. And at this time God's chosen all saw clearly that we had the truth, and they came out and endured the persecution with us. I saw the sword, famine, pestilence, and **great confusion** in the land. **The wicked thought that we had brought the judgments upon them, and they rose up and took counsel to rid the earth of us, thinking that then the evil would be stayed.** EW 33.2

The Lord has pronounced a curse upon those who take from or add to the Scriptures. The great I AM has decided what shall constitute the rule of faith and doctrine, and he has designed that the Bible shall be a household book. The church that holds to the word of God is irreconcilably separated from Rome. Protestants were once thus apart from this great church of apostasy, **but they have approached more nearly to her, and are still in the path of reconciliation to the Church of Rome.** Rome never changes. Her principles have not altered in the least. She has not lessened the breach between herself and Protestants; they have done all the advancing. But what does this argue for the Protestantism of this day? It is the rejection of Bible truth which makes men approach to infidelity. **It is a backsliding church that lessens the distance between itself and the Papacy.** ST February 19, 1894, par. 4

Through the two great errors, **the immortality of the soul and Sunday sacredness,** Satan will bring the people under his deceptions. While the former lays the foundation of spiritualism, the latter creates a bond of sympathy with Rome. **The Protestants of the United States will be foremost in stretching their hands across the gulf to grasp the hand of spiritualism; they will reach over the abyss to clasp hands with the Roman power; and under the influence of this threefold union, this country will follow in the steps of Rome in trampling on the rights of conscience.**

{Ellen G. White: The Great Controversy 588.1}

The dignitaries of church and state will unite to bribe, persuade, or compel all classes to honor the Sunday. The lack of divine authority will be supplied by oppressive enactments. Political corruption is destroying love of justice and regard for truth; and even in free America, rulers and legislators, in order to secure public favor, will yield to the popular demand for a law enforcing Sunday observance. Liberty of conscience, which has cost so great a sacrifice, will no longer be respected. In the soon-coming conflict we shall see exemplified the prophet's words: "The dragon was wroth with the woman, and went to make war with the remnant of her seed, which keep the commandments of God, and have the testimony of Jesus Christ." Revelation 12:17
