Jesus, our heavenly High Priest, threw down the censer in one of the closing rites at the end of the Day of Atonement. It is described in Revelation 8, and we saw the heavenly performance take place from May 25 to June 11, 2018. As Mercury was thrown from Orion's hand down to the earth, regulations curtailing free speech on the Internet had been enacted in both the Old and New Worlds on those two dates, respectively.

There lurks a 4-million solar mass black hole, surrounded by a swarm of stars orbiting rapidly. We first see the stars in motion, thanks to 26 years of data from ESO's telescopes. We then see an even closer view of one of the stars, known as S2, passing very close to the black hole in May 2018. The final part shows a simulation of the motions of the stars.

We, High Sabbath Adventists, do not condone acts of violence but exhort all people to receive the wisdom of God and follow His law, choosing to sacrifice and deny self, according to the example of Jesus. The gospel is non-violent at its heart; the world was not saved by violence, but by One who willingly chose to suffer unjust mob violence against Himself rather than let the world perish in sin. You will be blessed with this understanding from the heavens that highlights the role of this book and its seals not only in centuries past, but especially with their repetition in the present time of the judgment. Jesus alone is worthy to reveal the whole mystery of this book to His glory.

After understanding the book of seven seals and its record of the trials of God’s people, we embark in a study of the seven blessings of the Revelation. You will find that it is no coincidence that there are exactly seven times in the Revelation when a blessing is pronounced, and in this video, we explore what these blessings are associated with, and when they occur in time. Could it be that as each seal is opened and the ensuing trial is met by faith, Jesus extends an appropriate blessing to the victor? Let a knowledge of the time provide the answer, and make sure you receive all the blessings the Lord makes available to you.

Jesus said, “the harvest is the end of the world” (Matthew 13:39), so as we approach that time, we should see signs that Revelation’s harvest prophecy will be fulfilled. Over the years of our journey in deciphering the Revelation, we have sought to understand the application of this prophecy according to the state of our knowledge. In this video, you will discern how the Spirit has led us step by step, teaching us principles along the way that would serve to make the ultimate fulfillment discernable. Then Brother John will walk you through the elements of the prophecy and show how they are depicted in perfect sequence in heaven. Indeed, now that the prophetic sequence is seen in detail and the earth is ripe for the harvest, we can be sure that it is the time of the end, and the last countdown to the end of time is here.

The Great and Marvelous Sign lives up to its name as the culmination of the Great sign of the woman of Revelation 12. Jupiter, having come from the womb of Virgo, finally reaches the hand of Orion, where Jesus is depicted as a King with His scepter of righteous judgment. As it does, the bowls of wrath can be seen being filled up in the months before December 15, 2024, when the outpouring of wrath commences with “fire, smoke, and brimstone.” Meanwhile, the plagues of Babylon’s evils are timed by the members of the solar system striking Orion’s outstretched hand. For these plagues, God’s wrath is given to Babylon all in one day as a double reward with the outpouring of the seventh bowl of wrath shortly after Jesus takes away the redeemed from the earth.

The ministry of salvation that God the Father and Jesus undertook to rescue humanity from the mire of sin is clearly revealed in the sign of the Son of Man—displayed for all to behold. The sanctuary services given to Israel pointed to Jesus as the Lamb of God who takes away the sin of the world. God does not wish for anyone to perish, but for all to come to the knowledge of Christ and repent. Mercy will linger only a little longer. Seek Him while He may still be found.

The seat of the Vatican is now empty. In late July, 2024, there was no serious indication that Francis would be replaced before the end shown on God's clock: June 2025. Nevertheless, watching the heavens opened our eyes to the meaning of the prophecy of the kings in Revelation 17 as it applies to modern times. The papacy has historically had a political and a religious component, and this prophecy addresses both separately. With that understanding, it prophesied a final pope following Francis, who would rule through a time of great trouble. In this video, we present that revelation and how Pope Francis' death happened at the time indicated by biblical prophecy. Look up and discern that the end is here, and Jesus is coming now rather than later!
